

My first L^AT_EX document

You!

October 20, 2015

Contents

1	My first Section	1
2	My secon Section	1

1 My first Section

This is my first section!

LaTeX is great in setting formulas like in example $c = \sqrt{a^2 + b^2}$

2 My secon Section

Even referencing other sections is very easy. See section 1.
