

PUBLICATIONS/PREPRINTS

TIMOTHY GEORGE CLOS

[In progress] (with Sönmez Şahutoğlu and Mehmed Çelik) *Compactness of Hankel operators with symbols continuous up to the closure of convex domains in \mathbb{C}^n* , 2018

[In progress] *Compactness of Hankel operators on pseudoconvex complete Reinhardt domains in \mathbb{C}^2* , 2018

Compactness of Hankel Operators with conjugate holomorphic symbols on convex Reinhardt domains in \mathbb{C}^2 , to appear in New York Journal of Mathematics, arXiv:1704.00789

(with Sönmez Şahutoğlu), *Compactness of Hankel operators with continuous symbols*, to appear in Complex Anal. Oper. Theory, arXiv:1608.08670

Compactness of Hankel Operators with Continuous Symbols on Domains in \mathbb{C}^2 , Ph.D. thesis, 2017
